Member Information— When Dr. Goodman and his camp staff at Treasure Island Scout Camp started the Order in 1915, they realized that the Scouts who were to be chosen to set the example in their troops would need further encouragement and inspiration if they were to fulfill their role. The Founders devised the Ordeal to give the candidates this inspiration in the form of an experience involving ideals they were to follow.

The Ordeal is an Adventure of the Spirit – a time of deep searching and high resolve – a unique opportunity to experience all the richness and warmth of brotherhood. The Candidate needs this experience not only for his own benefit, but also because his Obligation will require unusual devotion to the work of bringing the spirit to his own Scout troop.

Your Obligation as a member is to help the candidates keep their Ordeal faithfully.
